The CALAPRS Member Systems and Board of Directors thank you for your interest in an annual sponsorship!

CALAPRS provides educational and information exchange forums for trustees and staff of the forty major public pension systems in the State of California, including the State, County, City and special district plans and systems. It is a non-profit educational organization, incorporated in California. Sponsorships are not deductible as charitable contributions.

As a sponsor firm, your contact information will be printed in the CALAPRS Membership Roster, which is distributed to all member systems' trustees and senior staff. Please submit your information by February 1, 2012 to be included in the Roster. Your firm will receive a copy of the Roster and all CALAPRS newsletters published during the year.

You are also permitted to register two representatives to attend the annual CALAPRS General Assembly in Rancho Mirage, California, March 3-6, 2012. Trustees and senior staff of the CALAPRS member systems attend the General Assembly, making this a great opportunity to network with representatives of the various funds who are in attendance. Your attendance at the General Assembly, including General Assembly meals, is free. You will be responsible for hotel and travel costs.

As a CALAPRS sponsor, your firm is contributing to the enhancement of professional management of public retirement systems in California. Sponsoring CALAPRS benefits the state through its promotion of well-educated and professional pension system trustees and staff.

Contact: Alison Corley at acorley@calaprs.org or 415-764-4860.
